

So lerne ich gerne und gut!

The worksheet features a large, stylized speech bubble with a thick black outline. The interior of the bubble is filled with horizontal lines for writing. The bubble is connected to a group of three children at the bottom of the page. The children are drawn in a simple, colorful style: a girl with orange hair in pigtails wearing a blue shirt, a boy with spiky orange hair wearing an orange shirt, and a boy with dark hair wearing a blue cap and a green shirt. The boy in the green shirt is holding a pencil. The entire scene is set against a plain white background.
